## ***Making Payments to the IRS/US Treasury***

After September 30, 2025, the Treasury is requiring all payments to the federal government to be made electronically. This includes tax payments and quarterly estimates.

They are offering several methods for making those payments.

---

### ***1. Direct Pay with your bank account***

<https://www.irs.gov/payments/pay-personal-taxes-from-your-bank-account>

- This method is free and secure.
  - No sign-in is required.
  - You can change or cancel your payment within 2 days of the scheduled payment date.
- 

### ***2. Pay with a Debit card, Credit card or digital wallet***

<https://www.irs.gov/payments/pay-your-taxes-by-debit-or-credit-card>

- You will pay a processing fee of approximately \$2.15 for debit cards or 1.75 - 1.85% for credit cards
  - They accept Visa, Mastercard, Discover, American Express, and several other cards.
  - Paypal and Venmo are also payment options.
  - To cancel a card payment, you must contact the card processor.
- 

### ***3. Pay from your IRS account (preferred method)***

<https://www.irs.gov/payments/online-account-for-individuals>

#### **Make and view payments**

- Make a same-day payment or schedule payments up to 365 days in advance from your bank account
- You can cancel payments before their scheduled date

- View up to 5 years of payment history, including your estimated tax payments
- View pending and scheduled payments

### **View or create payment plans**

- Learn about payment plan options and apply for a new payment plan
- View and revise details of your existing payment plan
- Create a payment plan for the amount you expect to owe in the current tax year

### **View your balance**

- View balances owed to the IRS by tax year
